# The Atlas

The Atlas is a **platform** which displays **the most market relevant training courses on Digital Transformation** in Europe.

Training organizations, programmes and courses have been selected based on their capacity **to up and re-skill the workforce of European SMEs** (and, to a wider extend, European citizens).

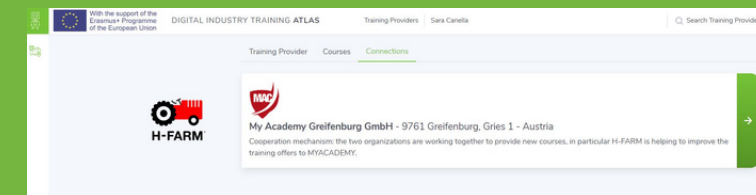

## Roadmap for new Training Organizations

# The connections

DITA Partners can help Training Organizations registered on the Atlas to create new **connections with other Training Providers**, thus **expanding their training offer on digital transformation** and improving their EU labour market compliance.
